# Plumstead Station Public Realm Improvement Project- Master Plan Vision

PREFERRED PROPOSAL

MASTER-PLAN VISION

## Plumstead Station Public Realm Improvement Project - future uses??

## Plumstead Station Public Realm Improvement Project- Objectives

- Enhanced public space and approach to station
- Encourage passengers to walk, cycle or use buses to get to the station
- Improved pedestrian and cycling connectivity
- Better pedestrian crossings
- More cycle parking
- Improve and activate the lower level area running underneath Pettman Crescent bridge
- Design out crime and anti-social behaviour

## Plumstead Station Public Realm Improvement Project- Constraints

- Maintain or improve bus journey times and interchange
- Maintain or improve east-west pedestrian and cycling links, including the Greenway
- Maintain traffic capacity at junction as essential connector and to avoid increase in queues / bottle necks
- Complex network of structures / bridges (and level differences)
- Mix of land ownership
