Date	Area	Group	Priorities	Suggestions
10-Jul-17	Abbey Wood, Plumstead and Thamesmead	1	* The priority in Thamesmead was to improve transport links to the area	<p>a. Shuttle bus from Thamesmead to Woolwich</p> <p>b. Improve the landscaping of green area on Mullard Path – overgrown and full of litter</p> <p>c. Full speed hump or priority give way along Battery Road to reduce speeding in the 20 mph zone.</p> <p>d. Hedging or something similar to enclose the green behind Tesco – Battery Square – children play football and balls often go out into the busy road.</p>
10-Jul-17	Abbey Wood, Plumstead and Thamesmead	2	* No overall priority agreed but several suggestions were made	<p>a. Looking at improving sporting facilities for kids with an emphasis on educating children on healthy eating to reduce obesity.</p> <p>b. Cleaning of Plumstead High Street, buying or hiring in jet washers to do the job. (Cleaning the actual pavements and road) Residents said the last time the area was cleaned was in June 2016.</p> <p>c. Having a Table Tennis Table located somewhere in the borough that could be used by all locals.</p> <p>d. Improving security in the Glyndon Area:- There are a number of break-ins especially the Firs (?) Tackling Anti-Social behaviour in the area.</p> <p>e. Improvements to the Winns Common Traveller Area. Persevering the area which is currently unsightly.</p> <p>f. No Civic Pride in the area, perhaps funding to campaign in the borough to highlight cleaning up, not leaving rubbish/fly tipping around.</p> <p>g. How clean is your area competitions with small prizes to encourage people to take pride in the area they live & shop in, both for shopkeepers & residents.</p> <p>h. Rather than spraying grass etc (to kill weeds) with insecticide, pay someone to cut the grass and maintain the borough trees & plants.</p>
10-Jul-17	Abbey Wood, Plumstead and Thamesmead	3	* No overall priority agreed but several suggestions were made	<p>a. Seating in Plumstead Common – some have concrete around the base. Those that do not have this have muddy residue around them making is unsafe at times. Residents suggested that concrete to be placed around those that do not already have this.</p>
