

FUTURE HIGH STREET FUND APPLICATION FOR WOOLWICH TOWN CENTRE

This board shows main objectives included in the Future High Street Fund draft application and illustrative visuals of the main interventions

What are the objectives of this proposal?

The proposals will follow the 6 objectives listed below.

- 1**
Support, unlock and accelerate the regeneration of the town centre to address significant social issues, and improve resilience and adaptability
- 2**
Increase economic and social activity and integration for existing and future residents
- 3**
Improve experience and sense of place, whilst increasing security to enhance Woolwich's unique identity
- 4**
Improve accessibility to and within the town centre; to better connect the market and high street with the riverside, The Arsenal and surrounding neighbourhoods
- 5**
Provide for sustainable growth connected by healthy streets and green infrastructure
- 6**
Promote innovation and creative workspace to support a diverse high street offer
